## Districts 7 & 8 Contest

### Papers

Paper category students should review the NHD Rule Book to ensure they do not miss any important rules and requirements for their category at [nhd.org/en/resources/nhd-contest-rule-book](https://nhd.org/en/resources/nhd-contest-rule-book).

Students should combine all required parts into one document in the following order: Title Page, Process Paper, Historical Paper, and the Annotated Bibliography at the end. Students are NOT required to bring copies of their papers for the judges. Students may want to bring a copy of their paper to the contest to reference during the judge interview. Because of the large amount of text in the paper category, students are not allowed to make changes to their project materials after the project material submission deadline. **The deadline is 5 p.m. on Wednesday, February 28, 2024.**

### SUBMISSIONS FOR PAPER STUDENTS

1. Create one PDF that includes your title page, process paper, historical paper, and annotated bibliography. You can only upload one PDF, so it must include all these components and in this order!
2. Name the file with your first and last name and contest level. (ie. BobMyers\_district)
3. Go to <https://mi-mhdd78.nhd.org> and login to your student profile. Then click “My Profile.”

4. Upload your PDF file into the **Paper** field.

The form includes fields for 'Entry Id', 'Project Title' (with the example 'The Best Project in the World'), 'Category' (set to 'Paper'), 'Description' (with the example 'Project's description'), 'Judging Time Preference' (set to 'Entry'), 'Paper' (with an 'Upload File' button), 'Documentary Link' (with the example 'Project Link'), 'Project Key' (with the example '5d4f6d7-e40b-414c-9a57-7eeb7a95906'), 'Project Leader' (set to 'Test Student 1'), and 'Team Members' (with one member 'Test Student 1'). The 'Paper' field and its 'Upload File' button are circled in orange.

5. Click **Save**. That's it!

### Websites

Website category students should review the NHD Rule Book to ensure they do not miss any important rules and requirements for their category at [nhd.org/en/resources/nhd-contest-rule-book](https://nhd.org/en/resources/nhd-contest-rule-book). Complete instructions on creating a NHDWebCentral account, getting started, and other tips are available in the new NHDWebCentral guide at [website.nhd.org](https://website.nhd.org). Because of the large amount of text in the website category, students are not allowed to make changes to their website after the project material submission deadline.

### SUBMISSIONS FOR WEBSITE STUDENTS

1. Your website must be built in [NHDWebCentral](https://nhd.org/en/resources/nhd-contest-rule-book).
2. Complete your revisions and click save by **5 p.m. on Wednesday, February 28, 2024**.
3. Be sure that your process paper and annotated bibliography are embedded in your website – see the contest rule book for more information.
4. Go to <https://mi-mhdd78.nhd.org> and login to your student profile.
5. Double check that your site key is correct in your NHD student profile.

The Site Key field is circled in orange.

Reminder! Websites are unable to be edited during the contest. They will “freeze” at 5 p.m. on the material submission deadline and will not “unfreeze” until after the contest award ceremony.

### Documentary

Documentary category students should review the NHD Rule Book to ensure they do not miss any important rules and requirements for their category at [nhd.org/en/resources/nhd-contest-rule-book](https://nhd.org/en/resources/nhd-contest-rule-book).

Documentary students need to plan to upload a shareable .MP4 video file of their final project to Google Drive, One Drive, or DropBox by the material submission deadline. Make sure to give yourself plenty of time to complete this process as uploading video files can take time. Documentary students also need to save their paperwork as one PDF file and upload it to the registration system by the deadline. Students should bring three copies of their title page, process paper, and annotated bibliography to share with the judges at the contest. If students make changes to their project paperwork between the registration deadline and the contest, they must highlight the changes in the 3 copies they bring to the contest. **The deadline to submit materials is 5 p.m. on Wednesday, February 28, 2024.**

### SUBMISSIONS FOR DOCUMENTARY STUDENTS
